

WiFi TV QUICK-START GUIDE

GETTING STARTED

1. Welcome to Arvig WiFi TV! If you haven't previously created an account, go to **arvig.net** and click on CREATE LOGIN. Please have the email you received from us available as reference. If you no longer have this email, or didn't receive it, you may also use a current statement.

Username (email address)

Password

To change your password at a later time, return to arvig.net, click SIGN IN, then click the "Forgot your password" link. You will receive an email at the email address on the account with instructions to change the password. Once completed, you will be required to re-log in to any devices that access WiFi TV.

2. Once registered at **arvig.net**, set up your streaming device.* Follow the manufacturer instructions and select your home's wireless network to connect your device to when prompted:

Network Name

Password

If your wireless signal has multiple channels, select 5GHz when prompted.

*If you are using a smart TV or handheld device (i.e. tablet, smartphone), there is no additional device to set up—skip to step 4.

3. If using an Amazon Fire device, create a free Amazon account if you don't have one: (instructions to the right)

Email Address

Password

4. Download the Arvig WiFi TV app from the app store for your device. Easily find our app by searching "Arvig TV".
5. Log in to the Arvig WiFi TV app for your device using the username (email address) and password you created on arvig.net in step 1.

ARVIG WIFI TV APP: SIGN IN/SIGN OUT

When accessing the app the first time, or to sign in after signing out, please enter the username and password you created on arvig.net.

The username is the full email address you signed up with. If you've signed in previously, the email address may be auto-filled.

1. On the sign-in screen, press **Select** to access the on-screen keyboard.
2. Press left, right, up and down on the **Navigation** button to highlight letters, numbers and symbols on the on-screen keyboard and press the **Select** button to enter the character.

To access capital letters and symbols, select those keys on the keyboard. Some of the popular keys have remote control shortcuts—see the image on the keys.

3. When done, press left, right, up and down on the **Navigation** button to highlight the Next key and press **Select**.
4. Repeat steps 2 and 3 to enter your password.

To sign out of the Arvig WiFi TV App:

1. On live TV, press the **Menu** button to access the TV menus.
2. Press left or right on the remote's **Navigation** button to highlight Profile and press **Select**.
3. Press up on the **Navigation** button to highlight the Settings menu icon (cog wheel) in the upper right corner of the screen and press **Select**.
4. Press down on the **Navigation** button to highlight Sign Out and press **Select**.
5. A popup window will appear asking, "Are you sure you want to sign out?" Press **Select** to choose Yes.

PIN THE ARVIG WIFI TV APP

To keep the Arvig app front and center, pin it to the front of your app list.

Steps vary per device and model. We suggest you Google or search the manufacturer's information for the most current, detailed instructions.

FIRE TV STICK 4K REMOTE CONTROL

The buttons on this remote are universal in function, however, the options available within the Arvig app may be different than in other apps. Your remote may vary.
